**Re: 2024 Property Tax Roll**

**Background:** The Texas Property Tax Code, Section 26.09, requires the governing body of the Coppell Independent School District approve the Property Tax Roll as prepared by the Dallas County Tax Assessor.

The Dallas County Tax Assessor has calculated the amount of tax and has submitted it for approval.

The 2024 Property Tax Roll has a taxable value of \$18,555,768,528 and a total levy of \$186,575,719. This calculation of the levy is based upon the tax rates adopted on August 19, 2024. The Dallas County Tax office will not update the Certified Levy to reflect the levy since the VATRE did not pass. Supplemental reports are produced to make all adjustments to the levy.

Attached to this memo is the Certified Levy from the Dallas County Tax Assessor/Collector.

In addition, the November 2024 Tax Collection report is attached showing a large adjustment made to reduce the tax levy since the VATRE did not pass.

**RECOMMENDATION:** The Administration recommends that the Trustees approve the 2024 Property Tax Roll as presented.
