Agenda Item: Consider Approval of the 25-26 Professional Development Plan

Summary:

Terrell ISD is committed to the professional development of all staff for the purpose of improving student achievement. Our sessions are strategically designed and focused on strong, engaging, grade appropriate instruction. Our goal is for every teacher to have the tools and expertise to deliver high quality instruction in every classroom. We focus on research-based instructional strategies that promote student ownership, critical thinking, and academic growth. We aim to not only improve instructional quality, but also foster a culture of continuous learning and excellence among our staff.

Our PD plan is guided by:

- the needs of our students
- our wildly important district goal
- TEKS
- the professional needs of teachers and staff
- assessment data
