Subject: Property of Browning Public Schools (Esther R. Hassen)

Description: After correspondence with MTSBA, it would be in the best interest of the district to have the Esther R. Hassen land appraised, then consider selling the property. An easement will stay with the property forever and if the district opts to sell the property in the future, the easement may devalue the property. The other option would be to approve a Disposal of Property Resolution. The Board of Trustees of Browning School District will have to find the property to be obsolete, undesirable, or unsuitable for school purposes in order to proceed with selling the property in accordance with Sec. 20-6-604, MCA.
