Board Meeting Date: 11/15/2016 **Superintendent:** Dave Valenzuela

Administrator/Staff: IVHS Athletics - Bruce Reece

Type of Item: *Informational* *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Our football staff would like to attend a coaching clinic. It is in San Francisco, California on February 3 - 5, 2017. This is the only clinic the whole staff can attend due to other coaching commitments. We are paying for this from our District General Athletics Fund for IVHS. The cost for lodging, meals and registration. The breakdown of the cost is as follows: Up to Eight coaches, lodging for three nights is \$1,488.00 - (124.00 per room). Meals: we will have 4 dinners, 3 lunches and 3 breakfasts on the trip. The per diem rate is \$34.00 per day. We will drive to San Francisco at school and return on Sunday evening. We will use a gas card and turn in all of the receipts upon return.

Provide history/background information on your proposal:

This clinic is one of the best in the around and many of the top coaches attend Glazier Clinics around the country. Oregon has a discounted rate of \$199.00 for the entire staff to attend. Please see the attached agenda as there are too many topics to write in this space. All phases of football will be covered.

List the advantages of your proposal:

Very inexpensive rate for registration and the whole staff is available to attend the clinic. We are also members of Glazier once we register and we can attend any other clinics for free. We also get online information weekly that is very infomative as a member.

List possible disadvantages of your proposal:

Long drive both ways.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

Nike Coach of The Year Clinic in Portland. The staff has other coaching comitments and cannot attend this clinic in March.

Superintendent's recommendation(s):
