BEMIDJI AREA SCHOOLS BEMIDJI, MINNESOTA

DATE: SEPTEMBER 20, 2021

TO: BOARD OF EDUCATION, ISD #31

FROM: KRISI L. FENNER, CPA, DIRECTOR OF BUSINESS SERVICES

SUBJECT: BUS BIDS FROM STATE CONTRACT PRICING

COMMENTS:

ACTION:

We have prepared the attached bus bids from the MN State purchasing contract system. We obtained bids from Hoglund Bus Co. and North Central Blue Bird. At this time, it is the recommendation of our Transportation Coordinator, Mr. Rob Wicklund and myself that you accept the bid from North Central Bus for the purchase of two 77 passenger gas engine school buses at a cost of \$87,522 each for a total cost after trade-ins of \$184,145.86. This is the low bid and the buses are consistent with our current fleet.

Our transportation department operates 82 bus routes, connecting 21 buildings, and driving over a 1.2 million miles each year. Our past practice has been to purchase between two and five buses each year to keep our fleet operational and safe. Last year, due to budget cuts, we elected to forego the bus purchase cycle however, this is not a sustainable cost savings practice. The preliminary FY21-22 budget, approved by the board in June, allocated general fund dollars for the purchase of new school buses. It is essential that we

The motion was offered by _______, seconded by ______ and, carried (______) to approve purchasing two buses from North Central Bus for \$184,145.86.

09/08/21

To: Krisi Fenner

From: Rob Wicklund

Re: Bus Bids

Ms. Fenner,

Please see the attached bids for upcoming bus purchases, and the brief summary below:

North Central Blue Bird- \$87,522.00/bus

Hoglund Bus Co.: \$98,138.69/bus

I recommend proceeding with North Central Blue Bird. The cost savings is substantial and North Central's buses are identical to recent purchases.

Please let me know if you have any questions.

Thank you,

Rob
