Notable Highlights:

Family Math Night was a success. Students invited their parents to come out and play math games as they covered TEKS. I commend our Math teachers and their teams for their leadership and efforts in encouraging parental involvement at our school.

Principal's General Narrative: *Jones Elementary/Intermediate is a great place to be. We use our minds, hearts, and souls. Here we shape lives, dreams and futures. Not only do we shape children's lives but we also shape one another's lives as we become a closes educational family. We get rewards money just can't buy.*

Respectfully,
Alma Gutierrez
