Board Meeting Date: 9/18/2023 _____

RECOMMENDATION:

It is recommended that the board of education approve the addition of a Early Math PL Grant Project Coordinator position within the Teaching & Learning office.

BACKGROUND:

In 21-22, MAISA approached Kent ISD about acquiring the time of Rusty Anderson, one of our two current math consultants. Rusty has since been fulfilling the role of Early Math Professional Learning Grant Project Director. Recently, MAISA communicated that they would like to continue this agreement.

MAISA does reimburse the ISD for these days.
