

Elementary School Board Report
June 18, 2018
Mrs. Shepard
Respect. Integrity. Excellence.

Talent Ed teacher evaluations have been completed. This year's records roll over in July. We will remove the retired teachers names and add new staff before the school year starts. We have found this program to be very helpful for all involved to stay organized and get their work done on time.

ADSIS end of the year paperwork has been completed. The ES & MS data is completed separately but the student spreadsheet is one document. While completing the form it was nice to see growth for many of our students. As is expected we still have room for improvement to strength our program. Thank you to Margaret Marklowitz, Luke Rye, Carissa Breuer and Keela Hoskins for helping us complete this paperwork.

Safety Patrol – Our 5th grade Safety Patrol members attend a Twins Game on May 20th. Thank you to all the students who participate in the patrol to help keep our students safe.

Class trips – All trips provided our students with new opportunities to experience something new in their lives.

Elementary Interviews – We had over 30 people apply for our K, 3, 4, SPED teaching positions. Thank you to all who helped on the interview teams.

New Student Tours- I will be giving tours to 2 new families planning on moving to Rushford and attending school this fall.

Summer School – Summer School has started and we have about 30 students attending. Thank you to Mrs. Marklowitz for planning the work that needs to be completed.

Requisition forms have been completed and signed. The next step will be ordering in next year's budget.
