Discussion

Information

Purpose/Background:

To provide the Facilities Committee an update on ongoing Districtwide project(s)

1. The Regional Scripps Spelling Bee is scheduled to take place in Lincoln Hall's Auditorium on Wednesday, March 15 at 6:00 PM. The inclement weather date is Thursday, March 16th.
2. Cafeteria Tables at Todd Hall and Lincoln Hall
After communicating with Mitchell, the table manufacturer, Lowery McDonnell is ready to provide a solution to finish this project. The parts are ordered and have an estimated ship date of March 13.
3. The District will partner with CCDC to install a magnetic holder on the daycare Director's office door #110 in Todd Hall. This self-closing door cannot be propped open with a wedge or kick plate stopper due to health/life safety. The plan is to share costs of the \$1,520 project: CCDC will pay \$450 for parts and SD74 will pay \$1,070 for the labor.
