

From Karla
to Mrs Olson

2nd 2nd grade Mrs Mantione

Dear Mrs Olson Please can we get
some more I survived books a lot
of kids love these books you would
make all the kids will be super
happy and come in with a smile
and will now really really really
really love library please give
Mrs Thomas the money please
4th 5th 1st second kindergarten
will love you and library they will
all be super super happy
and itching for library to come
it would give us more knowledge
the more knowledge

lots of the ones are
not there it would be
a big help for some of
the people who have never
read it before so please
oh please get it I know
every kid would be very
happy that every body
could read them there
and will do it and know
much more about what
happened back then was
before they were born
maybe it happened when

when they were alive or their
parents were their or alive
please get them I would have as
and it would really make my day

and so would my class mates
