### Senior Portfolio

96 BHS Seniors presented their Senior Portfolios to school district staff, and community members. They each had a 30 minute interview time to present and answer questions from the judges.

Watching them make final preparations for the presentations, seeing their nervousness and witnessing their triumph after the fact was so rewarding! The growth these students have made since kindergarten is phenomenal. There is no doubt they will make our world a better place.

**Seniors** -You performed great! Dig deep and finish your classes strong!

**Judges**-Bobby, Jimi, Radium, Zebah, Glenn, Johanna, Amy, Rebecca, Harold, Cherie, Molly, Leo, Meri, Ali, Radium, Lester IV, Arlene, Corrina, Donna, Abigail, Louise, Darcy, Judy, Mike, Whitney, Violet, Larry, Mandi, Taylor, Shannon, Brian and Mistee-Thank you so much for your time and effort to bear witness to these Senior feats! We couldn't have done this without you!

**Behind the scenes**-Jack, Melanie-Thank you for organizing and keeping us on track!

### Prom

Prom thank you -work in progress:

BHS prom is well known throughout our area for the glamorous decorations, valet parking and red carpet. This year's prom did not disappoint. Students drove the theme, prep, planning and decorating for the Gatsby/Hollywood Prom. A video of the entrance is on BPS fb page.

BHS Prom 2022 was a great success! Beautiful, handsome and proud students having a fun time with friends, family, & community ❤️.

The Gatsby/Hollywood prom was student driven with ideas, plans, decorations, budgeting, decorating and collaboration.

We will have a list of all who helped and publish it-as it takes a family to make BHS Prom happen - home, school, tribe, and community. ❤️❤️

In the wake of our sorrow we find compassion, love, and laughter.

❤️💔❤️💔❤️ Our prayers go out to those that are hurting. ❤️

### Safety Assembly

The Blackfeet Behavioral Health program, Glacier County Sheriff Office, Blackfeet Law Enforcement Services, Disaster Emergency Services and Signs of Hope were on hand to talk with our students. They gave information about support services, choices and phone numbers to call for rides after prom.

### Counseling Support

In the months of March and April BHS has had two students pass away unexpectedly. These tragedies compounded with the pandemic and devastation it caused to our community, have affected our students and staff tremendously. We have had staff and student debrief meetings, individual counseling, and random acts of kindness to help cope. In the wake of these tragedies, we look for hope, love and joy and balance of grief and the future. We thank our district counselors for providing support to us in our time of need.

**We encourage you to see and acknowledge the positives we have going on here at BHS!**
