## News from Mr. Regal

Hello Evergreen families and friends,

We are in the home stretch before the last day of school on June 15th; we have 33 days left of instructional time for our students to grow academically, behaviorally, and socially before they move up to the next grade. These last days before summer are crucial for our students to wrap up the school year on a positive note. The teachers and assistants are continuing to provide quality instruction and engaging lessons for all of our students.

I am asking parents to please make sure that their children are here on time in the morning at 7:35 a.m. and that their regular attendance continues to be a priority. Our daily attendance rate for the school year is **90.45%** and the state and school expectation is **92% or higher** for the 2016-17 school year. We need to make sure all of our kids are at school daily in order to meet our goal. Thanks for your continued support in making Evergreen an amazing place to work, learn, and visit.....

**Jog-a-thon is coming up on June 2nd**. We are continuing to raise money for the student body fund, which supports individual classrooms, field trips, school wide assemblies, and future projects involving the playground area. Every little bit counts to help provide our students with positive and memorable experiences during their time at Evergreen.

Have a Magnificent May,  
David Regal
