

AGENDA ITEM:

MEETING DATE: June 22, 2009

SUGGESTED DISPOSITION: Discussion

CONTACT PERSON: Steven Dooley, Superintendent

.....

Lacrosse is a discussion item for this board meeting. It is my recommendation to the board to accept this activity as a school sponsored basis so they can participate in MSHSL play. They have been a well run, well managed club and I expect they will be a bid asset to our school program. However, because of the budgetary times we are in I must recommend that they be sponsored on a budget neutral basis. What I propose is that we give them credit for 90% of their activity fees ($47 \times 90\% = 42.3 \times \$110 = \$4,653$) and expect them to raise the remaining funds to support the program. These funds would need to be donated to the district by March 1st of 2010. After next year we would prefer to have the funds donated a year in advance and can communicate that to the group.

RECOMMENDATION: Action Item for next board meeting.
