

Status Update August 2019
2012-13 School Board Strategic Goals

School Board Goal	School Board Progress Indicator	Status
Student academic achievement Metric: NWEA	Grades 2 through 8 will exceed the national mean growth target from Fall 2012 to Spring 2013 for math and reading as measured by NWEA.	NWEA Grades 1 & 2 met this goal for math. Grade 1 met this goal for reading. Grades 3, 5, 6, 8, & 11 increased their MCA math and reading scores from the previous year. (Board discussion agreed to change the metric from NWEA to MCA for grades 3-8). The administration sets annual student growth goals for each building, grade level, and teacher.
Increase secondary course offerings	The school board will review an analysis of secondary course offerings no later than February 2013.	The administration continually examines strategies to increase secondary course offerings. For example, Advance Placement Biology will be a new elective available to sophomores, and College In The Schools: World History will be a new elective available to Juniors and Seniors in the fall of 2016.
Capital Needs/Deferred Maintenance	The school board will reduce facility capital and deferred maintenance deficiencies by approving an action plan no later than July 2012.	A bond issue was approved by the public in November of 2012. Routine facility and grounds maintenance and upgrades are addressed annually within the available budget.

2013-14 School Board Strategic Goals

School Board Goal	School Board Progress Indicator	Status
Students will leave BHS ready for post secondary education.	90% seniors will apply to a post-secondary institution (includes military enlistment) by May 2014	93% of seniors met this goal. The administration continues to emphasize this initiative. For example, 95% of seniors met this goal in May of 2016.
Work toward <u>Policy 714 Fund Balance</u> minimum unassigned gen fund balance of 8%.	Minimum unassigned general fund balance of 8%.	The district is on track to meet this goal in July of 2018.

2014-15 School Board Strategic Goals

School Board Goal	School Board Progress Indicator	Status
<p>Students in grade 1 will exceed the national mean growth target for reading and math by 5 RIT points from Fall 2014 to Spring 2015. Students in grade 2 will exceed the national mean growth target for reading and math by 3 RIT points from Fall 2014 to Spring 2015.</p> <p>MCA proficiency for grades 3-8, 10, and 11 tested in the Spring of 2015 will increase by 4% in comparison to the previous year.</p>	<p>Grades 1 and 2: NWEA Results.</p> <p>MCA Proficiency: MCA Results.</p>	<p>These goals were not achieved. However, the administration sets annual student growth goals for each building, grade level, and teacher.</p>
An additional 10% of ELOs will be supported by technology at the “modification” or “redefinition” level on the SAMR Scale. This will be completed at the end of the 2014-15 school year.	The superintendent will report the number of ELOs supported at the “modification” or “redefinition level on the SAMR Scale to the school board no later than August of 2014 and again at the end of the 2014-15 school year: 96 of 1317. Additional 10% = 10	This goal was achieved. Aligning modification and redefinition technology to ELOs is an ongoing part of our curriculum review process.
The school district will comply with Policy 714 Fund balance and establish a minimum unassigned general fund balance of 8% by Fiscal Year 23.	The minimum unassigned general fund balance by Fiscal Year 23.	The district is on track to meet this goal in July of 2018.
