PRINCIPAL'S NEWS

Dear Parents & Guardians,

We are on the home stretch! This can be a scary time for students. Eighth graders are realizing that they are nine weeks away from High School. SUPER COOL! Sixth and seventh grade students are becoming comfortable with the rigors of middle school.

Recently, our spring sports season began. [We have 82 students participating in track and field!](#) This is a great site to behold. Studies show that the more extracurricular activities students participate in the better their grades and attitudes towards school. It certainly looks like we are going to put this to the test again. I want to thank our coaches and several parent volunteers who have stepped up to assist in supporting these athletes in this sport. As a reminder, if you are interested in assisting our track program please don't hesitate. WE WANT YOU! It is a simple online form. Look for the link on our webpage under the tab school! No experience required, but it is appreciated!

The spring time is an eventful time where students get to really demonstrate how much they've grown. Parents please be watchful for these 'aha' moments as they really are a precious opportunity to see growth. Fleming will be hosting several major opportunities to demonstrate their growth both in and out of school. Look through this newsletter to find out the times of these events.

Fleming is still focused on relationships with our community, parents, and students so please don't hesitate to drop by or call us. As always, we enjoy listening to your ideas and we love sharing all of the great things that are happening at Fleming.

My best,

Sid Hobgood - Principal

ATHLETICS

We had two 8th grade students at the State Wrestling Tournament. Trey Chavez placed 8th and Logan Burdan placed 4th. Congratulations to these two students!!

Track Season is Underway!

We have 82 students participating this season. Huge thanks to all of our coaches this year!! Take a moment and let them know you appreciate all they do! Coaches, athletes and parents donated their time on a Sunday and cleaned up many areas of the track. It looks great!! Our two home track meets at North Valley are Wednesday April 12th and Thursday April 27th. It takes many volunteers to run a successful event. If you are available to help, contact the office. Go Cavaliers!!

****Don't forget we have Homework Helphouse from 8-845am Monday - Thursday where your student can come and receive some extra classroom support.**
