Executive Summary
Prepared for Board of Trustees Meeting
(09/25/2018)

Clarity BrightBytes Survey

Board Goal:

- Stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- Remain committed to providing equitable and outstanding opportunities for every student on every campus
- Foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students

Purpose of Report

- To inform the board on the BrightBytes survey that gauges the quality of Denton ISD technology use in the classroom and infrastructure.

Objectives
- To provide an overview of the needs assessment process using the BrightBytes Survey Tool developed by MIT.

Operational Impact

- BrightBytes is free service offered through the Region XI service center.

Results
- Use data from the BrightBytes survey to inform decisions regarding technology purchases within the district, gauge home and school technology access for students and teachers, identify areas of need for skill development among students and teachers, and prescribe methods through which effective technology integration can be encouraged within classrooms in Denton ISD.
