Re: Concussion Management Supervision

To Whom It May Concern:

Effective January 1, 2020 I have retired from the practice of medicine. I am therefore relinquishing my position as concussion management physician consultant for your school district. I have asked my associate, Shawn Bonsell, M.D. to assume the role of concussion management supervising physician for your schools. He will be available to execute the paperwork required to make the transition if you so desire. If you have any questions or concerns please contact Dr. Bonsell at 214-824-7744 or Dennis Hart, LAT, ATC at 214-802-4725. It has been a privilege to work with your program and your athletes for the last 41 years. I will certainly miss our interaction and I wish your program the best in the future.
