Re: Superintendent's Board Report

Superintendent Time in the Schools

- This week I started holding open office times in each of the buildings. I will be in each building for two hours per month in addition to my other times in the buildings. The point of the open office time is for the staff members to have easier access to me if they would like to share suggestions or concerns.

Upcoming Events

- Dr. Harold Nevill will be giving our board a COSSA update at our December board meeting.
- On December 15th, Kurt and I will be meeting with our area legislators in anticipation of the next legislative session. Please let us know if you have specific questions that you would like addressed. We plan on asking them about funding - potential effectiveness of tiered licensure when we have salary schedule disparities between large schools with supplemental levies and small schools without supplemental levies.
- The next legislative session officially begins on January 12, 2015.
