# Non-Profit/Community Service Learning Site Application

If submitting an application for a place of worship, the service activities must provide a service that extends beyond serving members (e.g., setting up for a service). The activity must serve the community at large and not just the members of the place of worship.

---

Does your organization maintain liability insurance for volunteers? \*

Yes

Do staff members or volunteers who would be working directly with students undergo background checks? \*

Yes

If no, provide details of your procedures and policies to ensure the safety of student volunteers. \*

---

Untitled Section

Does your organization have sites at other locations? \*

No

If yes, where? \*

---

What is the mission of your organization? \*

To help the community.

---

What service(s) does your non-profit/community organization provide? \*

We do food pantries and many events outside of church.

---

Describe the volunteer activities students would participate in with your organization. Be specific. For example, write, "stock and organize cans in food pantry for community members" instead of "help in food pantry." \*

Organize cans in food pantry, help deliver food to peoples cars, fill out forms for people to get food at our community food pantry. Help set up for events outside of the church. Go to homeless centers and help serve food and supplies.
