

## **ALEDO ISD BOARD MEETING TEMPLATE**

**MEETING DATE:** February 19, 2019

**AGENDA ITEM:** Spring 2019 Aledo ISD Demographic Report

**PRESENTER:** Earl Husfeld, Chief Financial Officer and Templeton Demographics

### **BACKGROUND INFORMATION:**

- In order to stay abreast of the District's current and future student growth trends, the District receives an update from our demographer, Templeton Demographics, two times each year.
- These bi-annual updates presented to the Board of Trustees include projected student growth and its potential impact to the District.
- In light of the continued housing growth we are experiencing within the District, a detailed examination of the projected student growth trends is a critical component to facility and financial planning for Aledo ISD.
- This evening Templeton Demographics will provide an updated look at the short-term and longer-term projections of student growth in the District.
