### Facts of this Matter:

The ZCHS Athletic Department respectfully requests Board approval for the purchase of large canopy tents for our cross country programs. These are customized tents with sidewalls that provide shelter for our teams before and after their cross country meets and track events.

### Objective POSITIVES related to this item or approach:

ZCHS Athletics continues to work to create a unified and recognizable brand identity for all athletic teams that promotes school pride, enhances community visibility, and strengthens student-athlete engagement. The tents will have our school logos on them and will allow us to represent ZCHS with pride while providing a safe, weather protected environment for our student athletes before and after meets. The tents are specifically designed for this use and are heavy duty in nature made to withstand wind, rain, and other elements that they will be exposed to.

### Objective NEGATIVES related to this item or approach:

The only negative to this is the cost and the athletics ECA will be used to purchase these tents. The cross-country teams have participating in fund raising efforts to assist with the funding of the tents.

### Opinion/Recommendation:

It is the recommendation of the ZCHS Athletic Department to purchase the two tents complete with side walls and carrying case for a total of \$4,490.00.

### Financial Implications, if any:

None
