RE: Curriculum Resource and Textbook Adoption Proposals for 2025-2026
DATE: June 16, 2025

Attached you will find the list of textbooks recommended for adoption for use beginning in the fall of the 2025-2026 school year for dual credit course offerings. These courses include Early Childhood Education, Restaurant Entrepreneurship, and AP Calculus BC. These resources have been reviewed as part of a rigorous evaluation process conducted by our faculty and administration. Resource materials will be on display as outlined in the school board policy at CESC 227 N. 4th Street, Geneva. We will return to a future meeting seeking formal adoption approval of these materials and resources.

These resources are coming at a later date as we were awaiting Dual Credit status for our courses through our partnerships with Waubensee Community College and College of DuPage.
