*Italy Lady Gladiators 2025*

Baseball split with Meredian in last series to have a "Play In" but lost that game and did not make the playoffs.

"Protect Our Legacy"  
How Will You be Remembered?

## Italy Winning Tradition

**Boys Track** At Regional we qualified our 4 x 200m Relay for State getting 2<sup>nd</sup> in Region and 6<sup>th</sup> at State. The participants were Lucky Johnson, Raul Acosta, KT Cockran, Treylan Fennell, and Alternates Austin Cate and Gared Wood. All of our boys competed well this year in many events and have done there part to better the Boys Track program.

**Girls Track** At Regional we qualified Malyah Reeves for the Discus getting 2<sup>nd</sup>. Her qualifying throw was the worst throw of the nine competing and she PR'd on her first throw. After the Prelims she was in second but unfortunately she was passed up by two others receiving 4<sup>th</sup> overall. To PR at the time she did and to consistently compete among the level of that competition is a very impressive accomplishment. Our girls did well at Regional as well and have come a long way since the spring of 2023 when we had two varsity girls participating.

We have started the boys and girls leadership program with 6 girls and 5 boys. We have met once to give them their handbooks and explain a little about the expectations. We will meet into the summer and further discuss my expectations of the program while giving them all a little ownership of THEIR program.

As of today, there is no coaching turnover for the second year in a row.
