## CCSD Board Report Special Education February 2024

Currently have 109 students with an IEP, Craig brick and mortar currently has 45 students and PACE has 64 students with an IEP. We currently have 6 approved Intensive students. Three additional intensive students are anticipated for next year. It will be important to anticipate for the hiring and on-boarding for the beginning of the next school year of addition Intensive paraprofessionals.

Next Level Speech Therapy is currently serving 36 students in Craig and PACE with Speech services. Six students currently have signed consent and are undergoing the assessment process for special education eligibility. For next year the recommendation is to use tele-therapy vs. SERRC for the remainder of PACE students.

Child Find will take place at CES on March 9<sup>th</sup>. We are in the process of advertising for a long-term substitute for our secondary special education teacher position. This position will be posted on ATP for next school year.
