### Background:

Policy GCO, Evaluation of Professional Staff Members, requires that the Governing Board annually approve the list of qualified evaluators. These personnel have met necessary criteria and have been approved by District administration.

Evaluators participate in trainings each year, which are intended to strengthen their skills in documenting evidence and conducting evaluation conferences. These trainings are expected to increase the quality and consistency of teacher evaluation across the District.

### Recommended Motion:

I move that the Governing Board approve the list of Qualified Evaluators as presented in Exhibit A.

Approved for transmittal to the Governing Board:   
Dr. Daniel Streeter, Superintendent
