Public Hearing and Regular Board Meeting

Background Information: TEA requires school districts classified as Chapter 49 districts to submit an agreement identifying which option the district intends to exercise to equalize the wealth level in order to qualify for the early agreement credit.

Although classified as a Chapter 49 district, JISD does not anticipate the need to actually utilize the option identified. A copy of the agreement is attached. TEA also requires specific language to be included in the motion authorizing the superintendent to obligate the school district under the Agreement.

Strategic Goal:

Item Addressed: Agreement for the Purchase of Attendance Credits

Budget Information: N/A

Recommended Action: For the 2025–2026 school year, we delegated contractual authority to obligate the school district under Texas Education Code (TEC) §11.1511(c)(4) to the superintendent, solely for the purpose of obligating the district under TEC, §48.257 and TEC, Chapter 49, Subchapters A and D, and the rules adopted by the commissioner of education as authorized under TEC, 49.006. This included approval of the Agreement for the Purchase of Attendance Credit or the Agreement for the Purchase of Attendance Credit (Netting Chapter 48 Funding).
