---

A Staff development waiver minutes is being submitted for board approval for the 2018-2019 school year. Staff development waiver minutes are to be used in place of student instruction; therefore, the waiver minutes are only applicable to staff development provided instead of student instruction during the school year.

On staff development days when students are in attendance part of the day, in order to receive full ADA funding, the district or open-enrollment charter school must provide at least 120 minutes of student instruction.
