Board Meeting

Board of Trustees,

On January 5, 2026, the Board of Trustees approved the selection and ranking of Architectural and Engineering Services for Bid Package #01 designating the firms as qualified providers of these services based on their demonstrated competence and qualifications.

The Board of Trustees will subsequently assign and award the architect for Bid Package #01 at their discretion, granting authorization to engage in negotiations and award contracts in support of the 2025 Bond Program.

*Bid Package #01 included the following projects under the 2025 Bond Program: Central Administration and Professional Development, Katherine Johnson Technology Magnet Academy, McCowan Middle School, Ruby Young to STEM Center.*

Thank you for your consideration.
