I would like to request that the school board recognize one of our districts multi-talented athletes.

Bernabe Baltazar, an eleventh grader at CC Winn HS, plays on the golf team, and is an extremely talented artist.

Bernabe designed the logo (see attachment) which is used by the CC Winn HS golf team. The logo was used on the team shirts, caps, and jackets.

The CC Winn HS golf coach, Pat Hernandez, has told me that he is one of the most talented students she has ever had, and that he has plans to attend Art School when he graduates.

I believe it would be appropriate to recognize Bernabe at the next EPISD school board meeting, and I would like to request that the recognition be placed as an agenda item for the next school board meeting.

Consideration of this matter would be greatly appreciated.

Good Morning Coach Graf,

My junior golfer, Bernabe Baltazar designed a logo for our golf attire last year. We kept the same Maverick Logo but he added the golf ball as a background. This was very impressive and we used it on our caps and jackets last year.

This young man is very good at his craft. He loves to draw and is designing a t-shirt for the kids to buy this school year. He plans to attend Art School when he graduates from CC Winn and does everything free hand. Its amazing what he did for us and I know he has done the other sports but has just showed them to me.

He is a great kid and I have not seen anyone as talented as him. I want to use his logo that he created for us on our equipment from now on. Its amazing. I will send you the logo from my phone

Thank you
