Re: Quality Improvement Grant (FY20)

To Whom It May Concern,

Application for the Denton Independent School District Head Start Program located at the Ann Windle School for Young Children will be submitted online via the HSES. The amount of the Quality Improvement grant is \$55,000.00, with our non-federal share of \$13,750.00.

The School Board and our district look forward to its continued work with the Head Start Program in serving the needs of our economically disadvantaged students and families in our school district. The board authorizes those making application to submit the Quality Improvement application for the 2020-2021 school year.

The board also authorizes those making application for any other funds for which the program has reasonable needs for the 2020-2021 school year.

Sincerely,

Ms. Barbara Burns
Board President
