### **Immunizations:**

You may have received a letter recently from the office notifying you to update your student's immunizations. If you have had your student's shots updated recently please bring the records to Mindi in the office before February 17, 2016 in order to update your student's files and avoid immunization exclusion. If your child had a religious exemption dated before March 1, 2014 Oregon law changed this year. You will now need a nonmedical exemption for your student. This can be done online at [www.healthoregon.org/vaccineexemption](http://www.healthoregon.org/vaccineexemption) or get a certificate from your health care provider. Please contact the office at 541-846-7224 for more information regarding vaccinations.

### **SCIENCE FAIR**

Students who are interested in entering a project in the district Science Fair can pick up the Science Fair manuals and paperwork from their teachers. The manuals contain all the information and scoring guidelines for individual projects. Mrs. Agnifili is our Science Fair organizer this year. Students can contact Mr. Agnifili for help and information regarding their projects. Students who are doing a project need to bring their journal, abstract, and completed board to his/her teacher the week of February 22-26 for their teacher and Mrs. Agnifili to check for revisions. A limited supply of display boards are available at the school or can be purchased at the dollar store. Other supplies are also available at school. Judging is at the District Office the morning of Wednesday, March 9th. Qualifying participants will need to have transportation to and from the District Office in Murphy that morning. Arrival times still to be announced as the dates get closer. Contact the office for more information.

**A Valentine's Day Dance and benefit to raise money for Williams  
Elementary School Music and Strings Program  
with Vince Herman and Friends!**

Vince Herman and Friends are playing music again on Valentine's Day, Sunday February 14 from 2-5 pm at the Williams Grange Hall. Vince Herman, local father and husband and world renowned musician will join his gifted friends for an afternoon of music and fun. This family event will feature amazing acoustical string sounds and is being organized to benefit the Williams Elementary Strings Program. This is our main fundraiser for our Strings Program so come on over to the grange hall and enjoy world class music from Vince Herman and Friends.

Williams parents - we need some cakes and pies and cookies for this event - anyone interested in offering up a couple dozen of something, please contact Mindi in the office at 541-846-7224.

It's Vince Herman and Friends, Sunday, Feb. 14 in the Grange Hall. Come hear great music and support your local school strings! Tickets sold at the door: \$15 adults, \$5 for kids, and the little ones under five get in free!
