

**School Board Report – Oct. 2024**  
**6 - 12 Principal Julie Granberg**

Homecoming 2024 was a huge success!

**PLC: Professional Learning Communities:**

We will be focusing on the data we have collected thus far from Fastbridge. All teachers will be working with this data to support students in learning. The teachers will be working in content groups and in grade level groups on Wednesday mornings. The teachers will focus on best practice instructional strategies from HRS and AVID.

**Read ACT:**

I attended the Read Act Meeting at sourcewell. We talked about next steps and what phase two will look like for secondary staff. I was able to network with other principals in Region 5.

**Tribal Consultation:**

I attended my first tribal Consultation. We talked about all the new things that will be happening to support students with their school in the area of reading, with the new LETRS training for elementary and what will be happening in phase two for high school.

**Enrollment by Month:**

We are down 16 students from the original projections. These students have either gone online, moved out of district or went to the ALC in Cass Lake.
