RE: Adoption of 457(b) Plan

DATE: August 6, 2013

In order to provide additional retirement savings opportunities to our employees, the implementation of a 457(b) plan is desirable which is in addition to the already existing 403(b) plan. The 457(b) plan is another retirement vehicle similar to the 403(b) plan which allows employees to defer taxation savings to future years. Employees can contribute to both plans as there is no coordination between the two so an employee can contribute the maximum amount to both plans.

In order to make this vehicle available to employees, the Board must first adopt a resolution approving implementation of such plan and authorizing the Third Party administrator to continue its work on both the 403(b) and now the 457(b) plan administration.

Attached is the proposed resolution for Board consideration and adoption, as well as the Plan document. This will return to the Board for approval at its August 20, 2013 meeting.
