Student Highlights:

This is the time of year for field trips. This year we have had classes go to the Zoo, Confederated Tribes to study local history, Champoeg park, the Oregon Coast aquarium, and many other places. It is really fun to have the students come and explain to me where they have been and what they have learned. Their excitement is contagious.

What's New:

Teaching Assignments are changing at FCS. Many things are getting switched around to create stronger teams at each grade level.
