

## Board Background Information

**Subject:** Consider Approval of Local Improvement Plans for Northside Intermediate School and Henderson Middle School

---

**Presented for:**        **Action**   X                        **Report Only**       

In accordance with federal accountability requirements under the Every Student Succeeds Act (ESSA), Northside Intermediate has been identified for Targeted Support and Improvement (TSI), and Henderson Middle School has been identified for Additional Targeted Support (ATS) based on specific student-group performance in the Closing the Gaps domain.

Administration has reviewed the 2025 federal accountability reports and developed Local Improvement Plans for each campus. These plans outline targeted, data-driven strategies designed to address identified student-group performance gaps, strengthen instructional systems, and improve academic growth and achievement outcomes.

The Local Improvement Plans were developed in cooperation with Region 7 and are aligned to the Effective Schools Framework.

Board acknowledgment and approval of the Local Improvement Plans is requested.

**Recommendation:** Approve the Local Improvement Plans for Northside Intermediate School and Henderson Middle School
