Re: Robert LaFromboise

Received

MAR 08 2018

Browning Schools-HR Dept.

On January 5, 2018 at 3:30pm, Robert LaFromboise came into my office and said to me that he was quitting. He said that if one more person came to him to complain that he was going to blow up. He said that he could not do this anymore and that he was having anxiety.

I asked him what was wrong and he replied again that he could not do this any longer. I asked him if he could get through the day, to give me some time to get another person to come in and cover the job responsibilities and he said no, I quit. He put the keys down on my desk and left my office.

As this happened, Robert was not resigning from his position as the Concession Sponsor, he was quitting at that very minute.

To date I have not received a resignation, nor have I expected one, again Robert quit and walked off the job

Sincerely,

Tony Wagner, Director of Student Activities
