## **Board Report**

**February 2025**

- Student assessment accommodations are being reviewed and submitted to the Illinois Administration Platform in preparation for all spring assessments: Illinois Assessment of Readiness and Illinois Science Assessment (Grades 3-8). These accommodations are discussed at all students' IEP and 504 meetings throughout the year.
- Much planning is being done for the Pre-Kindergarten Screenings on March 20, 21st and June 11th, and 12th. We are hopeful to screen approximately 90 children. Parents may sign up online by visiting Zahnow's website and clicking the Pre-Kindergarten Screenings icon.
- On February 14th, the K-5 special education teachers, social workers, and speech therapists met to review and discuss Functional Behavior Assessment and Behavior Intervention Plan procedures, best practices, and data collection methods.
