Greetings from Glendale,

On behalf of myself and the students, we would like to welcome you all to the 2024-25 school year. On the first day of school, the students had a wonderful time participating in a nature scavenger hunt searching the colony to find items on their list. We were also visited by Mrs. Rappold and had "Popcicles with the Principal". The students were happy to see her and we were grateful to have her take time out of her busy schedule to visit us.

All curriculum has been handed out and the students are getting back into a daily routine. We have two new first graders this year and a total of 12 students in all. As in previous years, we will continue with our monthly visits of library, counseling, and the Glacier National Park rangers.

Wishing you all a wonderful academic year!

BIG SKY COLONY SCHOOL

We have started out our year with an enrollment of 22 students. We have a 99.6% attendance rate for the month of August. Since all students are returning students, we have been able to pick up right where we left off this past spring. The students had a joint lesson on simple machines. With their farming/ranching lifestyle, the students were very excited to participate in the lesson. We have also been studying plant parts and the use of each part of the plant. Looking forward to a great year!

Respectfully submitted,
Mrs. Christoferson
