

Memorandum

Agenda Item 8

DATE: August 5, 2010
TO: School Board
FROM: Linda M. Madsen, Ph.D.
Superintendent
SUBJECT: GIFTS TO THE DISTRICT

Minnesota Statute 123B.02, subdivision 6 permits school boards to "...receive, for the benefit of the district, bequests, donations, or gifts for any proper purpose and apply the same to the purpose designated. In that behalf, the board may act as a trustee of any trust created for the benefit of the district, and for the benefit of pupils thereof."

BE IT RESOLVED by the School Board of Independent School District 831 that the School Board accept with appreciation the following contributions and permit their use as designated by the donors:

Description Shipping and payment Buying tips

Seller assumes all responsibility for this listing.

This is a Ferrari F355 kit to be fitted to Pontiac Fiero. It has a rear clip section, front clip section, hood, headlight buckets, doors, trunk, and optional roof panel (if you choose to make your car a coupe or leave it off for a spyder). This kit was purchased a couple years back from Exotic kits in Patterson, NJ. At the time, the kit would sell for somewhere between \$5-6k. We bought it and, my father, a professional body man started to do some body work which shows up on the hood and doors. Later we would acquire another project (a salvage Ferrari F355) and work stopped on this kit. Now that my father has passed, the kit is available to you at a considerable discount, please make an offer.

Additional pix can be seen here <http://www.flickr.com/photos/memo4george/sets/72157624154086714/>

The kit itself will need a talented builder/bodyman and many hours of work but the end product could be sweet.

I'll include with the kit videos showing how to assemble the kit from another manufacturer on a Diablo. Also, if you want a Pontiac Fiero, please specify in your offer and we can include it as a package. (I didn't want to make it part of this listing as many people who look at these kits already have a donor Fiero). This Fiero is of the last years and has some desirable features but is an automatic and has some rear damage as in the pictures.

If you have any questions, feel free to ask here. I will be out of town June 2-5 but I will still try to check my inbox.

Questions and answers about this item

Q: does this kit require frame modifications? according to internet sources, the kit manufacturer had many problems with this kit and apparently does not fit the body properly. Is this true? Where do you get the rear... Continue reading Jun 09, 2010
A: To get the right length there was a stretch necessary. I saw some negative comments toward Exotic but not specifically for this kit. As far as, "does not fit the body properly," if a person isn't afraid... Continue reading

Q: Can i pay a partial payment with paypal and the rest in cash on p/u Saturday.I live in Albany NY.I am not a kid and if this agreement is made I will hold up to my end of the bargain. Jun 09, 2010
A: Yes, I will accept a deposit in paypal for the rest in cash on pickup.
