### **BLOOMINGTON INDEPENDENT SCHOOL DISTRICT**

#### **BOARD OF TRUSTEES**

#### **AGENDA ITEM:**

Consider School Colors

#### **BACKGROUND INFORMATION:**

We have taken action on this item several times over the years. We will have a discussion on the latest motion of our school colors.

Motion language from last board meeting:

The motion was made by John Mendez that competition uniforms-not including warm-ups, be green and white when purchased by the district and the district will encourage directors and parents to buy green and white uniforms for competitions. A second was made by John Ellsworth.

The motion passed 4-3(Canales, Cantu, Chavana).
