

Date: June 2, 2025  
To: Dr. Robert Halverson, Superintendent of Schools  
East Aurora School District 131 Board of Education  
From: Ashraf Kawash, Director of Buildings and Grounds  
Subject: Vehicle Purchase

**The Issue:**

The district has two cargo vans that need to be replaced.

**Justification:**

To maintain a reliable fleet, the District must replace vehicles on a regular cycle. Our two most frequently used vehicles, the delivery van and the mail van, are approaching 10 years of service.

In the past, the District has purchased vehicles through auctions and by acquiring used models. Currently, the Suburban Purchasing Cooperative provides competitive pricing and short lead times. Below is pricing information from two local Ford dealerships.

Dealership 1: \$109,330

Dealership 2: \$118,010

Cooperative: \$104,934

**Board Policy:**

Pursuant to Board Policy 4:60, Supplies, materials, or work involving an expenditure in excess of \$25,000 must comply with the State law bidding procedure, 105 ILCS 5/10-20.21, unless specifically exempted.

**Strategic Plan:**

This recommendation supports Strategic Goal #2, Operational Excellence that states the following: *East Aurora School District 131 will align and utilize systems and resources that promote operational excellence, efficiency, and fiscal accountability.*

**Supporting Data:**

Supporting documentation attached.

**Recommendation:**

It is recommended that the Board of Education purchase (2) two Ford Transit Cargo vans from Currie Motors in the amount of \$104,934.
