2. **Upward Bound:** Representatives from UWSP's Upward Bound program presented to our 8th grade class on Tuesday, November 30th. So far to date we have:
 - 6 students that have already applied.
 - 25 students have asked for additional information.

The application deadline is in March. We typically average around 12 students each year that apply and are accepted.
3. **Student Council Winter Fun Day:** TMS Student Council is busy fundraising and planning for our annual Winter Fun Day coming up on December 22nd. This year we will have options that include a choice between bowling, 2 movie options at Rouman Cinema, or ice fishing (if conditions allow). This is a half day event where students have the opportunity to engage in some fun activities together outside of the normal classroom experience. We were unable to host this event last year and look forward to having it back on the calendar. It has always been a positive experience leading into Christmas Break.
4. **Professional Development:** Ms. Rosin, a 6th grade English/Language Arts & Social Studies Teacher, along with Mrs. Norman, our LMC Director will attend the School Leaders Advancing Technology in Education (SLATE) Conference on December 6-8.
