

## **TMS Board Report April 2022**

**Forward Testing:** Forward testing is currently underway at all three Middle School grade levels and will wrap up on April 14. 6th and 7th grades complete tests in math, reading, and writing. 8th grade is required to test in all 4 core subject areas.

**Summer Learning:** We are currently working on plans to offer a summer learning opportunity in the areas of Reading and Math. I currently have two staff members who have committed to running the programs. Families of students who have been identified as needing additional support will receive a recommendation letter once plans have been finalized.

**TMS Spring Sports:** Middle School Track and Field practice began on April 5th. It will run through May 19th. [Track Schedule](#)
