

Head Start Board Report

July 2025

Enrollment and Attendance

Early Head Start's average daily attendance was 55%.

Education & School Readiness

Staff is continually assessing classroom needs.

COR/CLASS Report

Teachers are continually assessing the students.

Mental Health

Mental health referrals and resources were given to all families with need.

Disabilities

EHS is serving one student with a diagnosed disability.

Nutrition

Lake Orion Community Schools Food Service is providing meals. Nutrition policies and procedures adhered to. Children are sent home with Blessings in a Backpack every week.

Family & Community Engagement

We had the youth librarian from the Lake Orion Public Library out for her monthly reading time with all classes.

Program Governance

The program is following Early Head Start policies.

Health

The program continues to maintain all child health requirements.

Budget/Grant/Contract

The program is working with Finance on funding and budget requirements. We are working with OLHSA regarding any grant needs.

Credit Card Purchases

The credit card was charged a total of \$153.89.
