- The Board members as a body corporate have the exclusive power and duty to govern and oversee the management of the public schools of the District. *Education Code 11.151* [see BBE Legal]
- The Board has final authority to determine and interpret the policies that govern the schools and, subject to the mandates and limits imposed by state and federal authorities, has complete and full control of the District. Board action shall be taken only in meetings that comply with the Open Meetings Act. [see BBE Local]

### **CONFLICTS OF INTEREST**

- Conflicts are controlled by state law and Board Policies BBFA Legal, Local, and Exhibit.
- If a Trustee believes he or she may have a conflict of interest, they should review the policy and complete all necessary disclosures promptly (within a week).
- If a Trustee believes that another Trustee may have a conflict of interest, he or she is to bring the issue to the attention of the Board President or the Board as a whole promptly (by the next Board meeting).
- Conflicts created due to family members who are employees of the District are controlled by Board Policy DBE(Legal).
- If an employee continues in a position under a nepotism “grandfather” exception, the Trustee to whom the employee is related may not participate in any deliberation or voting on the appointment, reappointment, employment, reemployment, change in status, compensation, or dismissal of the employee, if the action applies only to the employee and is not taken regarding a bona fide class or category of employees.
- If a Trustee believes a situation exists that requires his/her abstention, he/she should make that fact known to the Board President as soon as possible and announce the abstention at the beginning of the Board Agenda item at issue.

## PERCEIVED CONFLICTS OF INTEREST

- There are times when a true, legal conflict of interest does not exist but there is the perception of a conflict of interest.
- Examples of perceived conflicts of interest include:
- A Trustee who files a complaint / lawsuit against the District that creates a conflict beyond those identified specifically in policy;
- A Trustee who is actively involved in an organization or movement that directly undermines the mission of the District; and
- A Board decision that directly and specifically impacts a program in which a Trustee's family member is intimately involved.
- When there is a perceived conflict of interest, it may be prudent to voluntarily abstain from deliberating and voting on items to ensure there is not an appearance of bias and to protect the fidelity of the process.
- Each perceived conflict of interest should be analyzed and handled on a case-by-case basis. If a Trustee fears they or a fellow-Trustee is in a perceived conflict of interest, that information should be reported to a Board officer as soon as feasible.
