HARRISON CENTRAL APPRAISAL DISTRICT

To:Presiding OfficersFrom:Stacy Morris, Interim Chief AppraiserSubject:Vote Entitlement & Nomination Resolution for Appraisal District Director SelectionDate:September 16, 2013

Section 6.03 of the Property Tax Code governs the director selection process. Directors are nominated and selected by the governing bodies of voting taxing units in the appraisal district. Voting taxing units for all appraisal districts are the county, cities, towns and school districts participating in the appraisal district. Directors are selected in the fall of each odd-numbered year. This process is not an "election" governed by the Texas Election Code, but an independent procedure unique to the property tax system.

To be eligible to serve on the board of directors of an appraisal district, a person must have resided in the appraisal district for at least two years immediately preceding the date of taking office. An employee of a taxing unit that participates in the appraisal district may not serve. However, an elected official or member of the governing body of a participating taxing unit may serve. A person may not be appointed or continue to serve on the board, if related within the second degree of consanguinity or affinity to:

- (1) An appraiser who appraises property for use in an appraisal review board proceeding for the county which participates in the appraisal district, or;
- (2) A tax representative who represents taxpayers for compensation before the review board for the county which participates in the appraisal district.

Appraisal district directors serve two-year terms beginning January 1 of an even-numbered year. The schedule for the director selection process is as follows:

Before October 1, 2013 - each voting taxing unit is notified of the number of votes (calculated using previous year tax levy) it may cast (this form serves as notification).

Before October 15, 2013- each voting taxing unit may nominate one candidate for each of the five director positions, and the presiding officer of the taxing unit submits the nomination(s) to the chief appraiser by written resolution (form attached).

Before October 21, 2013 - the chief appraiser prepares the official ballot listing the nominees, that were nominated on time, in alphabetical order by last name, and delivers it to the presiding officer of each voting unit.

Before November 15, 2013 - each voting unit must cast its votes to one or more names listed on the official ballot, sign as a written resolution, and submit to the chief appraiser (write-ins are not acceptable).

Before December 1, 2013 - the chief appraiser counts votes, declares as winners the candidates who received the largest vote totals, notifies all candidates and each taxing unit of the results.

NOTE: 834 votes guarantees a nominee's selection.
