Principal's General Narrative:

April is a big TAKS month as well as district and regional UIL academic and athletic competitions. The week of April 25th-29th we administered the TAKS at all grade levels. We have end of course tests scheduled throughout the month of may as well as some SSI grade level retests in math and reading. Teachers and students are busy preparing for all of the upcoming challenges. We are beginning the scheduling process for next year and Mrs.

Stone has scheduled meetings with JH and HS parents to provide information about scheduling issues and particularly the transition from intermediate and junior high to the next level. (JH- May 5th, HS- May 17th)

The high school and junior high faculty, as always, would like to express our appreciation for the support and leadership from the school board, superintendent, and everyone in the central office. Thanks.

Frank Taylor s
