### ACTION

**TITLE:** Approve School Improvement Plans Template 2023-2024

**DATE:** July 17, 2023

**RESPONSIBLE ADMINISTRATOR:** Dr. Tiffany Bone  
Assistant Superintendent of Curriculum and Instruction

Dr. Kellie Cohen Minton  
Director of Student Achievement and Accountability

### BACKGROUND/CONSIDERATIONS:

The Arkansas Division of Elementary and Secondary Education (DESE) requires that all schools submit to the district by May 1 of the current school year (2022-2023) a school improvement plan for the upcoming school year (2023-24). The school improvement plans must be posted to each school's website by August 1, 2024. District Leadership is proposing a change in the [School Improvement Plan Template](#) to better align to the FSPS District Continuous Improvement Plan and Scorecard .

Pending Board approval, the campus teams will review and apply appropriate recommendations to the district template after receipt of the 2023 State Assessment Results. The Spring 2023 ACT Aspire data is not expected to be available to campuses until after August 1, 2023. Campuses will develop the school improvement plans when additional data has been released from DESE. The plans will be brought back to the board for final approval during the October Board meeting.

### RECOMMENDATION:

The administration recommends the Board approve the 2023-2024 School Improvement Plan Templates for each FSPS campus at this time. If the Board agrees, the motion would read:

***Move to approve the school improvement plan templates for the 2023-2024 school year.***
