

BOARD OF SCHOOL TRUSTEES
KELLER INDEPENDENT SCHOOL DISTRICT

3D. Action

Date: October 24, 2005

SUBJECT: POLICY UPDATE 75

BOARD GOAL: All students will achieve educational excellence.

FISCAL NOTE: None

Background Information:

- 1. Update 75 is one of several significant policy manual changes we receive from TASB (Texas Association of School Boards) each year.
- 2. The Policy Committee has reviewed these changes.

Administrative Considerations:

- 1. Policies to be considered for adoption are on the following pages.
- 2. Update 75 reflects TASB's interpretation of Keller ISD local policy into the new statutes or guidelines.
- 3. Changes requested on October 10, 2005 are noted in the attached information.
- 4. Explanatory notes and proposed deleted policies are being provided under separate cover.

The Texas Association of School Boards (TASB) periodically sends to us its subscriber-districts significant updates that reflect changes in law or guidelines. Update 75 is the current version that the Board needs to address. Other updates this year are expected in November and early spring. Included in this update are policies for the Board to delete and adopt. TASB makes recommendations for content, format and usefulness of policies. We generally follow their recommendations but have reserved the right to adjust as the district determines the best response.

The administration recommends that the Board of Trustees approve Policy Update 75 as presented.

Respectfully submitted,

Bill Newton, Ed. D.
Assistant Superintendent of Administration
