

## Albert Lea Area Schools Extended Field Trip Form

---

1. Name of sponsoring person: Ken Fiscus
2. Name of school activity or class: Archeology Travel to Italy (Earth & Space Science)
3. Proposed dates of trip: June 22-29, 2026
4. Brief description of proposed trip: We are traveling to Bolzano, Italy to visit the South Tyrol Museum of Archeology to see the Iceman and his exhibit. We are then traveling to visit the two cities of Pompeii and Herculaneum that were buried by the eruption of Mount Vesuvius in 79 AD- 1 full day for each city.
5. Educational objectives of the proposed trip: My students and I will get to see Otzi the Iceman in his museum/research facility. He is the focus of a week of study in 9th grade Earth Science (carbon dating, stone age/copper age, glaciers). Otzi is also the focus of a week of study in 10th grade Biology (genetics). We will get to visit the twin premier archeological sites in the world, Pompeii & Herculaneum. They feature prominently in Earth Science's study of volcanoes and are fundamental to our knowledge about life in Italy in the first century AD.
6. How will the money be raised to finance the trip? Families are paying for the trip. There is no fundraising being done by our group.
7. Itemize the full cost to students: \$4600/student. This includes airfare, meals, lodging, and transportation.
8. List travel and lodging arrangements: We are traveling with the help of Explorica. Airfare, meals, lodging, and transportation are included in the price of the trip.
9. List itinerary (include dates): Minneapolis to Milan June 22, Bolzano June 23 & 24, travel to Florence for several tourist destinations and tours June 25, Pompeii June 26, Herculaneum June 27, Travel to the Blue Grotto & Rome June 28, Fly to Minneapolis June 29. (See attached detailed itinerary.)

10. List chaperones and any special security provisions (chaperones must have district background check in place prior to field trip): Ken Fiscus- teacher, Kelli Fiscus- my wife & former school employee, Lori Larsen- former school employee
11. Project the number of students who will not be able to go on the trip due to time and/or cost: 95% cannot go.
12. Have alternative opportunities in the metro and surrounding area been explored? Yes. (We are a little scarce on volcanoes and 5,300-year old mummies around here.)
13. Do the dates of the proposed trip conflict with any school time or community activities? No.
14. What arrangements will be made with parents in case of emergency-health, family, discipline, etc.? Meetings with students and parents before leaving. Explorica has a policy for returning students for discipline issues and the extra costs involved being paid for by the parents. The parents have signed up knowing about this policy.  
I am collecting medical information in the spring before we leave.

As sponsor of the extended field trip I will ensure all school district policies, rules, and regulations are followed. I will ensure all chaperones have current background checks and follow all school district policies, rules, and regulations. I will alert the administration if there is any disciplinary or emergency situation.
